Special Events

Summer Reading Program Registration Opens
Saturday, June 6, 10:00am

This summer, let's gather together to cheer each other on as we achieve our personal best. We can play on a team, knowing we're better together, or play on our own to see how far we can go. We'll learn about our world, ourselves and each other through play and if we stumble along the way, we'll get up laughing and keep on trying, because failing is sometimes part of the game.

Whether we're playing in the library, online, around a table or in a field, independently or on a team, we'll stretch our physical and mental limits and give it our best, for the love of the game.

The Program will run from Tuesday, July 7 to Friday, August 14, 2020.
